

**Bulawayo (Sewage, Drainage and Water) (Amendment) By-laws 1981 (No.1)**

---

IT is hereby notified that the Minister of Local Government and Housing has, in terms of Section 180 Of the Urban Councils Act [*Chapter 214*], approved the following by-laws made by the Bulawayo City Council :-

1. These by-laws may be cited as the Bulawayo (Sewerage, Drainage and Water) (Amendment) By-laws, 1981 (No.1).
2. Section 3 of the Bulawayo (Sewerage, Drainage and Water) By-laws, published in Statutory Instrument 390 of 1980, is amended by the insertion of the following definitions -

“combined private sewer” means a sewer, exclusive of soil pipes, waste pipes and vent pipes, for the purpose of conveying to a public sewer or a conserving-tank or other receptacle the sewage from two or more private sewers, and includes all other things necessary in connexion therewith;

“Private drain” means a conduit for the conveyance of storm-water or any surface, sub-soil water or spring water from one premises to a public drain;

“private sewer” means a sewer, exclusive of waste-pipes, soil pipes and vent pipes, for the purpose of conveying to a combined private sewer, a public sewer or a conserving-tank or other receptacle the sewage from one premises, and includes all other things necessary in connection therewith;

“public sewer means a sewer vested in or under the control of, or used by, the council, into which is discharged or intended to be discharged, the sewage from private sewers or combined private sewers, and includes pipes, manholes, chambers, ventilating-shafts, ejectors, sluices and all other things necessary in a connexion therewith;”
