NOTICE OF INTERRUPTION OF WATER SUPPLIES

The City of Bulawayo would like to advise members of the public that there is an exercise to normalise Magwegwe Reservoir level. The level has been critical for the past two weeks due to erratic pumping from Nyamandlovu boreholes.

In a bid to manage water supply from the Reservoir, Council would like to advise that there will be an interruption of water supplies to the following suburbs fed directly from Criterion Reservoir:

- Nketa
- Nkulumane

Interruption to water supplies will be from 18:00 hours to 06:00 hours daily with effect from Wednesday, 22nd August 2018 until the reservoir level stabilizes.

Residents are urged to conserve water until further notice.

Bulawayo City Council wishes to apologise to its valued consumers for the inconvenience likely to be caused.
